

Camp Ecobotics - Summer 2018

Permission to Participate and Waiver of Liability

Name of Participant: _____
(Please print legibly)

Date: _____

I understand that my child's participation in **Camp Ecobotics** is voluntary and a privilege. Participants are required to obey all rules and safety requirements as outlined by the supervising teacher(s), as well as all normal **de Toledo High School (dTHS)** rules, including general standards for respect of persons and property.

My child is voluntarily participating in **Camp Ecobotics** in which participants may be working with a variety of tools, both power tools and non-powered tools, and materials including wood, metals, plastics, and others. The nature of all of the class activities (including the makerspace, kitchen equipment and utensils, garden equipment, and swimming) assumes the following risks:

1) The risk of injury from the activities involved in this program is significant. Improper use of tools and disregard for safe practices may cause serious injury or death. All participants will complete basic safety training as part of the **Camp Ecobotics** program before being allowed to work with tools under supervision of **dTHS** personnel. While particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist.

2) I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the school, faculty or others, and assume full responsibility for my child's participation.

3) My child willingly agrees to comply with the stated and customary terms and conditions for participation. If, however, I or my child observes any unusual significant hazard during his/her presence or participation, she/he will remove her/himself from participation and immediately bring such to the attention of the nearest **dTHS** staff member.

4) I/We, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, hereby release and hold harmless dTHS, their officers, officials, agents, and/or employees, and other participants, with respect to any and all injury, disability, death, or loss or damage to person or property, whether arising from the negligence of the school, faculty or others, and assume full responsibility, to the fullest extent permitted by law. By signing below, I allow my child to participate in **Camp Ecobotics**. I acknowledge that I have read this entire waiver. I fully understand its terms, and understand that I have given up substantial rights by signing it. I have signed this freely and voluntarily without any inducement.
